INSURANCE SOLUTIONS

Insurance is more than just a quote!

Meet Michael Miller

Mike Miller was born and raised in Allentown, Pennsylvania and has lived in Lancaster for the last six years. He graduated with a Master's Degree in Business and Finance from Temple University.

Post graduation, Mike managed billing operations for 30 emergency room physician practices on the East Coast. He decided he could better use his knowledge of finance to help business owners and families create a financial roadmap that would help them get from Point A to Point B in everyday life. He became an advisor in 2003 and recently earned an esteemed designation in the field of financial planning.

Mike and NTI Group have been working collaboratively to help provide clients with comprehensive financial and insurance solutions. Following is some basic information to help introduce you to Mike and his practice.

Mike, what would you like your clients to know about you?

I have been married to my wife, Bebe, for 6 years. We are blessed with a two year old daughter and a son born January 2009!

How do you like to spend your free time?

My passion is the Lord Jesus Christ, experiencing His grace, and telling others about His salvation. I look forward to preparing and teaching Sunday school, reading the Bible and Christian non-fiction books, and listening to gospel preaching. I am a Penn State football fan, and yes it's true... a Dallas Cowboy fan.

What was your childhood dream?

To play basketball for the North Carolina Tar Heels.

What is your proudest moment?

Playing for my high school basketball team, we won 3 league championships and went 23-0 my senior year. This experience taught me invaluable life lessons such as how to overcome adversity.

Ok, tell us something most people don't know about you?

I write left-handed, bat right-handed, shoot baskets left-handed, and eat right-handed. Even though I am a financial advisor, people tell me I have a sense of humor!

What has been your most significant experience or learning?

The experience of being justified by God through Jesus Christ. This has enabled me to live without fear and without want.

Why did you decide to affiliate with NTI Group?

I saw that the NTI Group was a "work family" – A group where the people genuinely care for each other and their clients, and have a process to prove it.
